Description

The first persistent noses let us discover a Cognac with complex aromas of vine peach and quince.

The second noses offer us an olfactory tumult of leather, saffron, nuts, mushrooms and prunes.

A superb gustatory itinerary offering us an intense, cocoaflavored, slightly full-bodied and roasted palate.

Nice spicy palate, marked by notes of exotic fruits, mango and passion fruit.

A lot of freshness in the finish and a pleasant persistence, marked by flavors of English cake accompanied by subtle mentholated notes.
